New Hope Waves is a local non-profit organization working among children, youth and families based in Livingstone, Zambia. We are using education, sports and charity work to realize the vision of making an impact that will change and decrease the struggles in our vulnerable community around Livingstone. Work: The volunteer will work with the children and young people from the ages of 10-25 years old about 50 boys participating in soccer for our vulnerable communities to keep the boys and yet to engage girls to stay away from drugs, illicit sex and other vices affecting our people. but to assist the local coaches etc. The volunteer can also assist in the administration of the sports program to organize activities locally and internationally to create partnerships with other sports organizations, individual and families that can collect some old but usable sports equipment such as balls, jerseys/uniforms, boots/cleats as well as other fundraising to make the team make the football fixtures and travels, referees fees so forth so open minded to new ideas to better our programs.

Requirements: Able to adapt to the local culture. We hope that you are flexible, kind and have experience with working with children and young people before.

The volunteer should be prepared with skills that will make our program more creative and engage the young people to address their own challenges through sport and education.
