## MEDIUM TERM VOLUNTEER PROJECTS- 2018

---

### 1.0 ABOUT US

UVIKIUTA is a Youth development Organization that values volunteerism as a tool to promote and enhance peace, solidarity and sustainable development. The organization was found in 1983 to respond to the needs of young women and men to raise living standards through developing and enhancing social and economic capacities. Our goal is to contribute in building sustainable and self-reliant communities through providing holistic experience that broaden minds, expand horizons and empower young people and their communities to realize their full potential as productive, responsible and caring citizens.

UVIKIUTA-Tanzania is a founder member and current President of the Eastern African voluntary service Network (EAVS-Network), formally EAWA, Long term partner with Service Civil International (SCI), Partner of the Alliance for European voluntary service (ALLIANCE) and the Network of Voluntary Development in Asia (NVDA). We work also very close with various Government Departments, United Nations Volunteer Program (UNV) Education Institutions, Non-Government Organizations and community based Organizations.

### 2.0 MEDIUM TERM VOLUNTEER PROJECTS

Medium term volunteer (MTV) is a unique cross cultural experience program that connects people from around the world with local communities in Tanzania. The program offers a powerful vision built on our belief that volunteers and local communities have a vital role to play in development and in building a more just and sustainable world community.

MTV program offer variety of opportunities to experience different cultures, meet people from different countries, learn new or improve skills, take part in peace making

### Project description

The position and role of foreign languages and its importance has been recognized worldwide. In Africa in particular English and French are widely used due to the historical reasons. Worldwide for instance English is being taught as a second language and as an official language for more than 80 Countries. Both Languages are considered the most important when it comes to studies, searching for jobs, business, traveling, etc. Each country including Tanzania has its own National language spoken and understood by people in different regional blocks.

Some languages are spoken by millions of people, the others by just a few thousand people. In recognition of this reality, UVIKIUTA Youth center has developed English Language program with the aim of providing learning opportunity to economically disadvantaged members of the community to access free Basic foreign languages (English and French) enable them to access various business, education and employment opportunities hence contribute to poverty reduction.
